

I have had the pleasure of personally knowing and working with Mike Piantedosi since 2005.

He always handles himself with the utmost professionalism, efficiency and courtesy and he is an expert in renovating properties and managing real estate transactions.

His belief in strong customer service has been evident in all the business we have conducted together.

I highly recommend Mike to anyone considering doing business with him.

Sincerely,

A handwritten signature in red ink that reads "Tom Zeeb".
